

## AFRICAN NATIONAL CONGRESS

Northern Cape

### APRIL MONTH PROGRAMME

Purpose of the programme is to celebrate the lives and times of the late comrades Chris Hani and OR Tambo. Both leaders died in April 2013 and this year marks the 20<sup>th</sup> Anniversary of their death. On reflecting on their history of involvement in the struggle for freedom in South Africa, the presenters are expected to extract and prominently highlight the legacy that the two leaders left for the current generation of members and leaders of the ANC. Presentation on their lives and times should also reflect on the core revolutionary values of the ANC which should define the conduct of both members and leaders.
